

## Memorial Day Celebration!!

Smith Family Newsletter  
May 2014 - Page 1

It seems like all the happenings this month came at the end of the month. The Lakeside celebration was on Friday, May 23. Then on the 26th of May, which actually was Memorial Day, we not only celebrated our wedding anniversary, but also Charles' 90th birthday. For both Charles and us, this was a MILESTONE! For him the number was 90 and for us it was 30!! Don't ask me why, but I don't have any pictures of these two events? I really fell down on the job here! I do have the Memorial Day picnic celebration, however. In the first picture we are sitting with our neighbors, the Daughadays and the Imperials. There were people sitting outside, where the chefs were cooking and the band was playing. Most ate inside at a table, which was more comfortable.

The other momentous event was the Carolina Forest High School *Show Choir's* presentations. We attended their presentation at the school *and* here at Lakeside. They are getting ready for their trip to Scotland to compete on an International Level. Then there is their Summer Work Shop, where new students try out for the Show Choirs. All this cost more than the school district can come up with. This is where Lakeside residents can help out.

Above Joe Milette, who arranges for the Show Choir visits to Lakeside Crossing, is presenting Kraig McBroom with the \$1,300, collected at the door. They deserve it!!

Above, well, it is Spring, which means love is in the air!!!!
